

Communication at Castle Manor

We are very keen to have clear communication with parents and carers and be easily accessible to you. If you have anything urgent please telephone the school. We use SIMS intouch as our key communication of information that parents and carers need, this sends emails and text messages to you. If you are not receiving regular emails from us please contact our office on Jtaylor@castlemanor.org.uk to check your details are correct

We use Twitter @castlemanor to celebrate our school - the twitter feed is also on the front page of the school website

We use Go for schools to communicate report information to parents

Our website contains lots of information about the school including copies of most recent letters

www.castlemanor.org.uk Telephone 01440 705501

All staff contact information can be found on our website
