

Dear Parents and Carers,

Yesterday we had a staff training day at school to prepare for September. As I have shared with you last week the latest government guidelines came out and we are working on our plans. I will write a little later in the week with more full information, but we are trying our best to keep everything as 'normal' as possible for students. Our team are really looking forward to welcoming everyone back.

When we return in September the expectations of Castle Manor will remain as they always have been in regards to Uniform, this includes hair colour, nails and piercings. Our policy can be found on this link here. <https://castlemanor.org.uk/files/Policies/expectations-for-learning-policy-september-2019.pdf>

To support uniform collection Kiiwi clothing will be holding uniform collection pickups at Castle Manor in the holidays. Information can be found on their website <https://www.cpat.kiiwiiclothing.co.uk/>

We do understand that uniform purchasing can be tricky at the best of times and are aware there could be supply issues. We will all get there eventually but if there are problems please do let us know.

Our uniform and equipment list can be found on this link <https://castlemanor.org.uk/uniform-and-equipment>

A reminder that it is our end of term assembly on Friday. This is an event where students/parents are required to register. Your child has had this emailed to you, but I am also putting this below for you.

As always thank you for everything you are doing. We have nearly reached the end of a very peculiar academic year. If you need anything at all please do contact us.

Very best wishes,

Vanessa Whitcombe
