

Dear Parents and Carers,

10th November 2023

It has been a really positive first week back after half term. It has been really lovely to see students settled and working hard so quickly. I am really interested to gain some feedback from staff, students and parents about the two week half term and have put a link to a survey below - please could you take time to complete this short questionnaire.

Our Trust will be doing further formal follow up and consultation as to whether we continue with the 2 weeks.

We completed surveys before half term about parents evening and our evenings will be remaining online following the feedback. We do understand that for some people face to face would be preferable and I wanted to remind you that you can contact staff and ask for meetings or phone calls if you need them and we will always try to accommodate. We will also be looking at other ways to get more face to face opportunities with parents - we had a really positive Wellbeing evening recently, and will look at other such opportunities. As ever we are very keen to hear from you if you need anything at all. A reminder of the dates for our parents evenings for each yeargroup -

Year 7 Thursday 23rd November

Year 11 Thursday 8th February

Year 9 Thursday 29th February

Year 10 Thursday 25th April

Year 8 Thursday 6th June

Parents of Year 7 will be getting a link to book their appointments early next week on the school cloud system.

We have Flu vaccines booked for 15th December. I have attached the leaflet we have already sent out but I wanted to send it out again, and the link for booking a vaccine

Another date for your diaries is our school Christmas Dinner day. This is Wednesday 20th December, we'll send further information in the next week or so and set it up on parent pay.

As ever many thanks for your support,
With my best wishes,

Vanessa Whitcombe
