

2<sup>nd</sup> February 2024

Dear Parents and Carers,

This week has been another busy and brilliant week. Year 11 had their 'mock interview' day where they had interviews with local employers. They had provided their CV and personal statements in advance and were able to have time experiencing a real life interview, ahead of their college interviews. It was an excellent day, and those interviewing were so impressed with our young people and how they were articulate and driven with ambition for their futures.

It is half term in two weeks and we will be half way through the academic year, which has flown by! There are local activities that young people can get involved in and they can be found on the link here <https://www.abbeycroft.org.uk/haf/> these activities are free for those families who are eligible for free school meals and are excellent activities to get involved in.

I have had some complaints from local residents of parents blocking driveways when dropping off or collecting from school. Please can I ask for your consideration in this matter to not cause inconvenience where possible to local families.

We also have been notified of a new football group starting at New Croft, for students with disabilities. If you are interested in this please do contact using the information below.

Finally we are very pleased to launch the sale of tickets for our upcoming school production of The Addams Family. It will be an excellent show, and students and staff have been working incredibly hard for many weeks. Please see the attached poster for ticket purchase information. Tickets can be bought on parentpay or on the ticketsource platform, but these include a booking fee so are more expensive.

As ever please don't hesitate to get in touch if you need anything at all from us.

Wishing you a really good weekend.

Best regards
