

# Give it a go!

**Be Awesome, Go Big** is a package to help Year 6 students transition into Year 7. It is designed to be motivational, helpful and reassuring and to help young people feel valued, loved, encouraged and equipped for the journey ahead. Within your pack, you will have received all the resources required to complete 'Be Awesome, Go Big', including the two books and the workbook. All other supporting material can be found in the transition section on the school website. There are also resources for your parents, including useful tips and information. Give it a go! Pupils completing the booklet will receive a certificate in recognition of their efforts.

## Year 6

Get to know your teachers before you start! Watch the welcome video created just for you where they introduce themselves and the subjects they teach. All of them are keen to meet you and make you time at Castle Manor truly memorable!

Worried about getting lost when you arrive? Learn your way around the school using the 3D tour. Visit all the classrooms and discover the subjects taught there. Use the interactive tools to look at every aspect of your new school, floor to ceiling, wall to wall!

To find resources, visit: <https://castlemanor.org.uk/transition>

Hello Year 6,

I am looking forward in the near future to welcoming you personally to Castle Manor. Within this pack, you will have all the equipment and materials required to complete tasks aimed at making your transition to Castle Manor Academy as smooth as possible. Some of the tasks are must do, indicating that they are for everyone to complete, whilst others provide a chance to give it a go! All of the tasks are created to help you, therefore, the more you complete, the better equipped you will be when you first attend Castle Manor.

Please use the exercise book for recording your work, presented neatly with accurate titles, dates and underlining, or send us a photo or video of your work via [transition@castlemanor.org.uk](mailto:transition@castlemanor.org.uk).

I look forward to seeing your completed tasks.

Mr K. Bonas  
Year 7 Achievement Leader

# Must do tasks

Work through the five presentations covering the PROUD values. Complete the work requested in your exercise book and challenge yourself with the quiz. Remember, these key values will support you with the expectations at Castle Manor.

Challenge yourself to learn the poem 'Invictus' by William Ernest Henley off by heart. Work through the presentation, learn about the meaning of the poem, watch it recited by some famous people, then it's your go! How much can you remember? If you are first to learn the whole poem a prize awaits you! We'd love to see some clips of your performances – are you able to embody the characteristics within the poem?

Complete the two subject challenges set each week:

**w/c 22<sup>nd</sup> June** – History and Geography

**w/c 29<sup>th</sup> June** – English and French

**w/c 6<sup>th</sup> July** – Maths and PE

**w/c 13<sup>th</sup> July** – Science and Creative Arts

Complete the CMA Quiz, looking at aspects of the CMA Way and how it supports learning at Castle Manor Academy. How many can you score? Can you get 55/55?
